

# FUNDRAISING IDEAS

The earlier you start, the better. Below are some ideas for raising funds for the trip. If you can do these things together with those who are going on the trip, it multiplies the funds that come in and builds camaraderie with the group long before you get on the plane.

We encourage prayer for wisdom and direction!

Online outlets (such as GoFundMe, linked to your social media)

Support letter

(Also, let people know in your support letter you are looking for extra work such as ... and list out possibilities)

Car washes

Bake sales

Candy bar fundraisers

Landscape work (e.g. mowing lawns, pulling weeds)

Cleaning houses (e.g. window washing, indoor cleaning, organizing, etc.)

Car detailing

Garage/estate sales (get some friends and family involved)

Collecting spare change (it really adds up!)

Scrapbooking for others

Baby, house, or pet sitting

Making and selling jewelry/clothing

Lemonade/juice/smoothie bars

Give blood

Cash for gold

Sell your used clothes to a consignment store

Aluminum can or plastic bottle collecting/redeeming

Skip Starbucks and begin to save that money in a jar

Be creative! What do you do well? What do you really know or like?

Ask the Lord how you can utilize that.
